## **2007 Conference Research Application**

Dear Potential Researcher,

We would like to thank you for your interest in our 2007 MDS RESEARCH & AWARENESS CONFERENCE in Richmond VA June 29-July 1, 2007. Your knowledge is invaluable to our families and we are confident that with the help of your research we will find more information concerning mosaic Down syndrome.

We realize that without research there will be no information on mosaic Down syndrome. We also realize that it is difficult for researchers to conduct research on mosaic Down syndrome because of the lack of participants. During our 2007 MDS RESEARCH & AWARENESS CONFERENCE IMDSA will bring researchers and participants together in one place! This will allow you to conduct research on multiple participants and help our families and other professionals understand more about mosaic Down syndrome.

Enclosed you will find our 2007 Conference Research Application. Please fill this out and return it no later than April 16, 2007, so we can best accommodate you in your research during this conference weekend.

You are welcome to email this form back to me for your most convenience.

If you have any questions or if I can help you in any way, please do not hesitate to contact me.

Thank You,  
Alex Lee  
IMDSA Research Chairperson
